

THE POWER OF **CONNECTED**

JetWave™ Connectivity Solution

The Power of Connected. *The Power of Honeywell*

The dawn of the Connected Aircraft for Militaries is here, thanks to Honeywell's JetWave satellite communications hardware, which powers Inmarsat's Global Xpress satellite network. Gone are the days of slow, inconsistent airborne connectivity. Now military operators around the world can experience seamless global connectivity to unlock a range of mission-critical applications with service that is up to 25 times faster than the next best global Wi-Fi service.

Data Speeds

2.4 kbps

Iridium

432 kbps

SwiftBroadband Without HDR*

Up to 25 Mbps

Ku-Band

Up to 50 Mbps

JetWave (Ka-Band)

*Per Channel

Applications

 In-flight briefings	 Secure Communications	 ISR video	 Encryption
 Web surfing	 Large-file transfer	 Real-time weather	 And much more!

Unlock Fast and Reliable In-Flight Wi-Fi
