

# FLIGHT MANAGEMENT SYSTEM

## VERSION 6.1

### UPGRADE

#### TEACHING THE FMZ-2000 FMS SOME NEW TRICKS

- Improves safety
- Trims flight time
- Reduces fuel consumption
- Reduces emissions
- Saves pilots time and work
- Increases airport access

#### FANS OF THE FUTURE

FMS 6.1 provides a path to next-generation upgrades including WAAS LPV and the future air navigation (FANS) mandate

#### HOLDING PATTERNS, VECTORS AND APPROACHES

New easy-to-use features deliver benefits of the modern cockpit and air traffic management

#### VERSION 6.1 BY THE NUMBERS
